Hi! I am Evan Harper! This will be my first year assisting 3rd and 4thgrade. We are going to have an amazing year together and I can't wait! I was a hairstylist for several years before I became a stay at homemother the last 4 years. I'm so excited to be working with your children this year! My husband Taylor and I have two daughters Saylor (4) and Sevana (3) who attend Blessed Beginnings Preschool. Most of my spare time is spent doing things with my family like gymnastics or camping. I look forward to learning and growing together!
